Dear President Riman,

The purpose of this letter is to thank you on behalf of the International Society for the Study of Behavioural Development for the excellent support your institution has given in planning and conducting the "Third International Summer School in Developmental Psychology in Europe."

Please extend this gratitude also to Dr. Jarmila Kotaskova, co-organizer. All reports that I have received from the members from close to 20 countries who attended are full of enthusiasm for the Summer School, and for Dr. Kotaskova's fine intellectual and organizational leadership.

Thank you again for your cooperation and interest.

Sincerely,

Paul Baltes
